RUN: 1705

Date: 19/04 / 2024

Hare: Shadow-Phantom

Venue: Restaurant - Tuart Hill

Everybody got the memo about the special early start because 42 hashers were ready to go at 6:29 pm when the GM called on Phantom to give the run instructions. One joined trail for runners and walkers with false trails galore kept the group together most of the time. Back just in time for a quick circle and then On On to nice banquet of Chinese food which everyone enjoyed very much.

Runners Report

Biro: excellent, clever marks and good calling. Plenty false trails.

Walkers Report

Sheep Shunter: Great quick walk, 3.8Km, all well marked.

Visitors and LTNS

Visitors: Kevin..... Hello and Good Bye!

Long time No see: Shadow and Ding,..... welcome back !

Charges from the Floor

- Yo Adrian was asked what Spec Savers shop she goes because she needs to ask for her money back. She called "Bell Boy" to Sheep Shunter even though they have their names showing on the back of their shirts.

- Replicar charged Ding for being over dressed to hash dinner with his smart black jacket.

-
