**RUN:** 1706  
**Hare:** Cowpat

**Date:** 26/04 / 2024  
**Venue:** Padbury

35 Hashers stood outside Cowpat's home to listen to the instructions: "Fairly long, chalk on the right-hand side and lime on the sand". And, as promised, there was a lot of sand, hills, bush, and more sand. What she didn't mention was the speeding giant kangaroos that Biro and Big Bang were lucky to avoid. Plenty of hash calls in the dark bush, including the fh3 horn, the whistle from Yo Adrian, the Tarzan's like call from Biro and the vuvuzela from Mollydooker. Clever trail layout with long false trails and tricky checks took us to a very well-set drink stop with plenty of choices. Then, a good walk home to a fun circle and a nice vegetarian dinner with birthday cake.

### **Runners Report**

Mollydooker: Good, interesting, clever marking with lime.... and good calling. Plenty false trails.  
9/10

### **Walkers Report**

Sybil: Tricky trail, bloody long walk...plenty of sand, two kilos inside the shoes and may not be able to walk tomorrow. 9.5/10

### **Visitors and LTNS**

Mollydooker and Scully, ..... welcome back!

### **Charges**

The R/A announced a mystery R/A for next week.

R/A charged Slugger because she thought she had to take her own food to Albany Hash due to a misinterpretation of an e-mail.

### **Charges from the Floor**

- MelAdjusted charged Cowpat because she didn't see the glass door in her own house and tried to walk thru it. (Somebody suggested to charge the person who cleaned the glass)
- White Pointer charged Meladjusted because he wants to be an action photographer; he took pictures doing a double backwards somersault with a half twist.
- Mental charged Cowpat because at the drink stop, she was chasing her dog that was chasing a cat. It looks like there are pussy problems in the household.
- White Pointer charged Megawatt for massacring the local wildlife. Smashed a poor little cricket thinking it was a cockroach in front of the kitchen door.
- Ball Wrinkle charged Big Bang for not been able to keep up with the King Roo that zoom passed him during the walk.
- Clockwork Orange and Mollydooker were charged for private conversation.

### **Zero Heroes**

No heroes tonight.

**Note:** Please sign the FH3 Book so we can celebrate your run milestones.

### **Birthday**

Cowpat and Ballwrinkle wore their candle hats.

### **General Business**

- Our price of wine serve will increase to \$4 starting next week.
- Facebook page has new name and address: [FH3 Facebook](#)
- Hares needed for end of May onwards. See Radar please.

### **Jokers**

- Troppo: Golfer playing with wife found a ball in cow's arse and tells the wife that it looks like her's.
- Mental Disorder: A gal in a bar is invited to party with a lot of drinks and sex.... Only for two.

### **Dummy Shorts**

-Yo Adrian nominated Slugger for spitting the dummy when found a false trail in the walkers' trail home.

- Clockwork Orange for telling how she like Melladjusted Mustache matching his hat.
  - Cowpat was nominated for walking thru the glass door in her own house.
  - Meladjusted was nominated for his triple summersault taking a picture.
- It was not an easy decision, but at the end, Clockwork Orange got the dummy shorts for first time.

**Song**

Big Bang took the task of directing the chorus.
