The reduced runners platoon went on the explorer mission and the walkers squad took of thru the park on a slow but determined pace. Both missions were fully accomplished even though there weren't any drinks resupply station available. At the end, the everybody got rewarded with a nice on-site prepared BLT wraps with a bonus birthday cheesecake.

## Runners Report

Biro: Great run, we were always all together, plenty false trails. and the On Home this time took us directly home. 10/10

## Walkers Report

Buttered Buns. Good walk...straight forward but, a comment.... Not a complaint: the walkers had to do a lot of false trails... at the end, very enjoyable.
