

Runners Report

Tight Arse: Interesting run, today, the statistics showed more ladies running than blocks, somebody suggested to do tests on them, (because even Replicar I was not so sure...), so I decided to join the outnumber ones, but they left me behind. Good run.

Walkers Report

Shifty: They didn't let her talk much...because they were admiring her man's boobs. Good walk.

Inspector Gadget (or his daughter?), Rock Bottom and Crusher had their welcome back drink.

The 'Nun' is back and charged Troppo and Inspector Gadget because both were pregnant, apparently by the same guy.

Accolades for all the dressed up. Good effort !

Charges from the Floor

- Biro charged Troppo for offering her a small horn when she already had the big horn from Rep.

- MelAdjusted charged Animule for going the other way and trying to get lost on the walk.
- Yo Adrian charged Lofty for being stopped by police because he was dressed as the village idiot.
- Gadget charged Sir Fumbles for falling "ass over tits" wearing his dress, the distress call took 6 people to get him back on his feet.
- Tight Arse asked Yo Adrian to please explain the meaning of her dress, but she said if she crosses her scarf over, she is crossed dressed....
