**RUN: 1711**

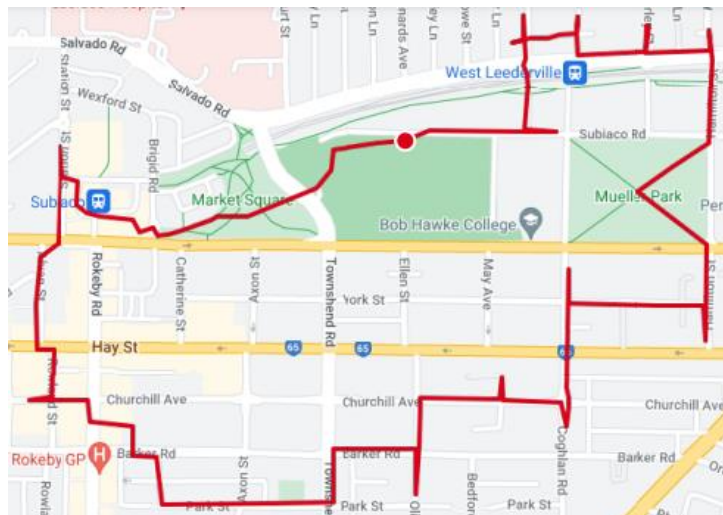

**Date: 31/05/ 2024**

**Hare: Pickle Picker**

**Venue: Subiaco**

Virgen Hare tonight. 31 hashers were really impressed with the quality of the venue. A brand-new pavilion constructed on the north side of the old Subi stadium. Great facilities, fabulous oval, plenty of light and wall stamped read outs to display the history of OZ rules football in WA.

The trail had us all together most of the way with a lot of false trails and checks. The absence of fast runners tonight caused that the walkers found trail on several occasions. Once the walkers found their short cut, the runners went thru the busy streets of Subi and the train station before getting to a very bubbly drink stop on the parking lot right next to the venue.

## Runners Report

Troppo: Excellent. Good marks, lot of falsies. Few runners, had help from walkers finding trail on checks and false trails. 9.5

## Walkers Report

Hopping Mad: Beautiful walk. Good marks.

## Visitors and LTNS

Menstrual Disorder was welcomed back after a long absence for working too much.
