

Runners Report

Tight Arse : Fantastic run, good marks, but the best was the choice of drink stop venue.

Walkers Report

Gadget: 'I have to tell the truth' : It was a Brilliant Run.

Visitors and LTNS

Low Beam and Toby, Bell Boy, Moaner Lisa, Shrek, and Sandstorm got their welcome back drink.

Charges

- The R/A tonight was a bit of a mystery..... Was it a Pregnant Animule?
- R/A to Tight Arse and Inspector Gadget because they are "full of shit". They didn't go anywhere!
- R/A to Hopping Mad and Yo Adrian for not negotiating with the glass doors last week.

Charges from the Floor

- Mel Adjusted charged the love birds (Low Beam and Toby) for sex in the hash.
- Mel Adjusted charged Sir Fumbles for not being able to find the run site and calling for help, but ended up charging the navigator: Cookie took the drink.
- Cookie charge Fumbles because when he handed her the camera, it was upside down and she could not find the big bottom to take the picture.
- High Beam charged Clockwork orange for zooming pass the drink stop and not recognizing anybody until she was called back.
- Mega charged Hopping Mad because when walking way into an alley somebody in front called false trail and she responded: "Oh My God"

Zero Heroes

Animule 810 and Tight Arse Book end 575.

Jokers

- High Beam: After a set of statistics, a guy is still looking at his thumb.
- Troppo: A secret to long life is gun powder in the porridge every morning.
- Mel Adjusted: A block fell in the tank at a distillery and drowned.

Dummy Shorts

- Troppo nominated Horny Flasher for admiring his look with the shorts!
- Yo Adrian nominated Sybil because when Sybil was asked why her shoes are so clean, she replied she puts them in the 'dish washer'. Obviously, the vote was unanimous.
