**RUN:** 1714  
**Hare:** Wenchy

**Date:** 21/06/ 2024  
**Venue:** Morley

As we made our way to Wenchy's backyard we noticed new faces and some we haven't seen for a while. Even the house dog was having trouble meeting another three hash dogs and protested for a while. Once called for instructions, Wenchy said that today was the shortest day of the year, but 41 hashers left the house expecting the longest run of the year. There were long stretches, but frequent false trails and clever checks kept everyone together until the last walker's cutoff with a life hare for the walkers. After the circle, the night ended with a great chicken and vegies roast.

7.50km Walk
