RUN: 1716
Hare: Ballwinkle

Date: 28/06/ 2024
Venue: Mullaloo

Dark, very dark Cold, very cold. Everybody (33 hashers) arriving at the venue said the same thing. With only a couple of lights on the opposite site of the building, the hare was scrambling to find battery operated lights. One by one were appearing until the point that lighting was acceptable and even saved some for after the run. To start the 4th of July run, the tune of the American anthem was played from Troppo's van. Ballwinkle said: "take your torches, marks are on the right until they are of the left" and promised a drink stop. Everything went smooth, runners in and out of the walker's trail; hills and dark bush walks ended in a bubbly drink stop with peanut butter sweets and colourful jelly liquorice snakes. The circle, full of weird American characters, started with a bit of a firework with plenty party sparklers.

Runners Report

Replicar: Good, different. The hills were always up and the slopes always down. 9.5/10

Walkers Report

Buttered Buns: Excellent, people in front got the trail perfectly and we followed, no problems. 10/10.

Visitors and LTNS

Replicar is back, so is Ding, and maybe another 2 that didn't identify themselves.

Charges

- The R/A called the special guests for our 4th July celebrations: He called president Biden (Animule), and Ex president Trump (sir Fumbles) for TV debate, but Trump had to come with Stormy Daniels (Phantom).
- R/A to Replicar for looking like Robyn Hood instead of the American Indian. Then, somebody explained that he was be part of the fukarwe tribe.

Charges from the Floor

- DLiveRant charged Yo Adrian for being louder than the Horn at the drink stop.
- Troppo charged Biro for calling a False Drink Stop, but Phantom reversed it to Troppo for not recognizing his wife's call. (It was Phantom who called it.)
- Mel Adjusted had an accolade to Ballwrinkle for showing Lofty how to chill Bubbles for drink stop.
- The GM gave an accolade to Cookie for a very nice American costume.
- Yo Adrian, gave a presentation and explanation of the commemorative T-shirt that Lofty was wearing for a run where Bill Clinton was present in the State of Arkansas. This forced the R/A to call Monika Lewinsky (Buttered Buns) to the circle, but he had a senior's moment and called BB "Cup Cake". So, he also had a drink.
