**RUN: 1717**

**Date: 12/07/ 2024**

**Hare: White Pointer**

**Venue: Subiaco**

33 hashers listened to the run instructions from White Pointer. Mentioned a walkers split, and some song stops and maybe a drink stop. It was checks galore, hundreds of them, with all sorts of markings we were not familiar with, and some needed a meeting to decide the course of action. At the first song stop, the trails met again and took us to the drink stop that was a treasure hunt. Somebody in the walker's group had the clues to find the Port and Lemonade inside the bushes next to the famous Subi giant. It didn't take long to get it though some of the walkers were already gone but the runners found it ready served and took the photo opportunity. The trip home was long with many missing the trail thru the busy streets of Subi.

## Runners Report

Tight Arse: It was like an Eastern European run, many strange marks. Partially followed, in and out of trail a lot. Fair to medium score.

## Walkers Report

Hopping Mad: It was a mystery; a check every 100 meters and a hidden drink stop. Very good, 110
