RUN: 1718

Date: 19/07/ 2024

Hare: Hopping Mad

Venue: Dianella

Replicar was a hare for hire tonight. Assisting or replicating Hopping Mad, he showed 30 hashers his signature farrow stamp and advised of a drink stop. Although the R/A guaranteed a dry run, many with little faith, took their rain jackets and umbrellas but didn't have to use them much. False trail after false trail kept everybody together until the wakers' s turn off. The runners with some new reinforcements this week couldn't beat the walkers to the drink stop, which was just a couple of hundred meters from home. The entertained circle followed by roast chicken dinner completed a fun night.

Runners Report

Tropo: the run set by a professional, good marks nice trail. All together 10/10

Walkers Report

Yo Adrian: Only 50% walker since she got confused. Good fun! 9.5/10.

Visitors and LTNS

Blossom and Luke (virgin) promised to return.
