**Date:** 18/10/ 2024  
**Venue:** Rivervale

After all the warnings, security was tight, and paranoia was running high. Shadow, M Muffin, Horny, Mental and Pickle Piker were assigned with security duties so the whole 34 hashers could have peace of mind. But the bouncers and patrols on the parked cars were not enough to stop the scammers because some harriets were asked to pay 5 dollars to use the loo. Bugger off!! was the answer. The 2 trails with a lot of false trails took us to the river side, the house of mozzies, but were the cockroaches who were more excited to see us and came to say hello on the board walk. After a few twists and turns, crossed back the Great Easter Highway and found the drink stop were we got stoned, (Stone Ginger Wine) but it didn't matter because we were very close to home.

## Runners Report

Mouth Organ: On behave of WiseCrack that had to leave early commented that was a brilliant run, long, but well set. Tricky false trails. Score 9.9

## Walkers Report

Mel Adjusted: Long... Long... Long. Hills, a lot of false trails and not many on on calls. Score 9.7
