RUN: 1732
Hare: Skully

Date: 25/10/ 2024
Venue: Joondalup

We did it again, we crashed another party... This time, 32 of us were in the middle of the "Wolves" kids cricket club season opening party, but they seemed not to care much..... just pushed us to the far end of the pavilion where we set the chairs, eskies, and tables. Skully, the baby of FH3, was a virgin hare tonight, and said to look for pink chalk farrows and tiny flour farrows in the bush. It took some time to find the trail and get used to the tiny... tiny marks but everything tonight was not how it looked like: The temperature read 19 Deg but it felt like 10 because of the cold breeze, and the run was about 7K, but it felt like 15 because of the soft white sand. It took almost one hour to get to the drink stop but we were rewarded with "Pink Gin" and tonic and we were all accounted for to return to a fun circle and delicious pull pork in a bun.

Runners Report

Replicar: New territory, but everything looked the same in the dark. Enjoyed chasing the visitor. 9.5

Walkers Report

Light My Fire: Good walk, little marks but plenty of them. Very dark. 9.9

Visitors and LTNS

"I Used to Be Nice", visitor from Edinburgh. "Drag Queen" from Darwin.

Mountain Hawk, Tight Arse and Zip It were welcomed back

Charges

- R/A charged Yo Adrian for being in charge of the dog tonight but forgot the poo bag.
- R/A called HogShit to the centre, to point out the resemblance with his dog: same nose, similar ears; and DivaLaRant added: and the same appendix!!
- R/A charged Drag Queen for being underdressed for the weather tonight and Pickle Piker for going to his car "wardrobe" and given a selection of 3 or 4 Jackets.
- R/A charged GPS because DLR was in the bush tonight with some other guy... Is it over??
- R/A called *I used to be nice* for wearing shorts and T shirt. She was probably feeling like it was Scotland's summer.

Charges from the Floor

- Pickle Piker charged Tight Arse for being three feet from the money tin and giving the money to Mountain Hawk to pay for his drink.
- Mountain Hawk asked Cookie is she was changing religion, because her on on call sounded like a mosque calling for prayers.
- Replicar charged Skully for setting so many farrows that he had to squeeze the horn so many times that damaged his wanking hand.
- Tight Arse called I Used to be Nice for a Scottish charge.

Zero Heroes

Slugger had 650 , Sybil 670, Cookie 1290 and BallWrinkle 290.

Birthday

Sherby (Lofty's dog) was celebrating her 10th birthday. It was presented with a cake, not for her, but to all her friends and we sang the hashy b'day song.
