**RUN: 1738 Date:** 06/12/ 2024 - **Hare:** / D.I.Y / **Wenchy Venue:** Dianella

Well, it is official, the Mega Year has begun. Our new GM, regaled in his bespoke coat of many coloured fairy lights, called the rowdy group to order. He welcomed us to Run # 1738; and introduced us to the Megawatt crowd control device: The Mega Miracle Ears - to be worn by anyone who is not paying attention in the Circle, talking, etc. Replicar put his hand up to be the first to wear the “King Charles” ears.

The GM handed the Circle over to our new R.A Mountain-hawk. WELL, what an entrance! Her costume almost outdid the GM’s. The Celtic Goddess was resplendent. She proclaimed *“Behave or be a human sacrifice on a Druid altar.”* Tight Arse quipped he had already suffered 52 years of sacrifices.

There was a tribute to the outgoing R.A. Mental Disorder. To the tune of Alouatta, Mountain-hawk recalled Mental’s litany of trials over the past year - the bashed-up head, the croaky throat, the dicky heart, and the gammy leg. The circle then resumed its usual format.

**Runners Report**

Replicar - LONG,Long, long! It was well marked and I still got totally confused. I got a free beer on the On Home! Score was 17/10.

**Walkers Report**

Radar - Good walk, but I only did half of the trail. By shortcutting, I lead my group up the largest hill in the suburb! Score was 20/10

**Birthday**

No birthdays.
