AGPU.... The last run of the year of the Mouth Organ. A few came early to help set up the room for what resembled a 'United Nations' gathering. Haberdash gave us a commemorative foot badge to celebrate our 35 years. The 37 participants represented plenty of nationalities around the world'. There were representations from China, India, the middle east, Europe and even illegal Mexicans and native Americans.

It was a short run so we all could go party with nice food and free hash splash. Mouth Organ thanked all her committee members, with special thanks to Mental for all his R/A ideas and to Gadget and Wenchy for finally putting together the members directory. The new committee was introduced, thanks to all who volunteered. Some old faces and some new faces to keep the enthusiasm and hash fever going one more year. So, this is it for me as On Sec, and over to Yo Adrian for the Mega Year.
