**RUN: 1743 Date:** 17/01/ 2025 - **Hare:** Yo Adrian – **Cohare:- Cowpat - Venue:** Karrinyup  
**Runner Numbers:** 48

**Runners Report**

The GM called Skippy to report on the runner’s trail. He hopped to the task. Spruiking accolades for the hare. He commended her and co-hare Cowpat for the runners’ and the walkers’ trails come together at various points and finishing at the same time. (Only Harriette’s lay trail with such precision! On Sec’s note). **Score: 10/10**

Length: 7.1 kilometres

**Walkers Report**

Mel Adjusted reported on the walkers’ trail. He gave it high marks because the hare included every hill in Karrinyup. He mused that there was no bush on the trail. **Score: 9.99/10**

Length: Precise distance not reported to On Sec but the hare estimates it to have been 5 kilometres.

**The Circle**

**Megawatt** handed the Circle over to our Druid Princess, **Mountain Hawk**.

Note:

The crowd arrived under sunny skies for pre trail hydration and catch-ups. At the appointed time of 1900, Gm called the pack out the front for chalk talk. What can I (as Hare and On Sec) report! Utter Chaos! The pack looked to the heavens in wondrous disbelief! How could the RA have failed us so miserably? Precipitation!

A mere mist and spitter sent some of the pack scrambling to their vehicles for umbrellas!!

Under such a cloud, the Hare informed the hashers that the trail was one for all and all for one, except where it split the pack into runners and walkers' trails. At various points they should rejoin for a bit and split up again. All on chalk farrows for all.

**Mountain Hawk** apologised for her failure to control the weather. Obviously, she had not done the proper incantations or had failed to make a suitable sacrifice. Non the less, it was just a spitter.

Note, it was because of her negligence that the garden, a beautiful setting for the Hash tonight, thrived! In keeping with her historical recitations tonight we learned Eartha Kitt, a successful songstress, required a stand in, Shifty, to sing us a song about just a simple girl with old fashioned everything, or something like that then have a bit of splash.

**Replicar** was called out for his sin of the lack of Biblical knowledge. He believed Lot's wife looked back she got stoned! No, dear **Replicar**, she was turned into a pillar of salt. **Replicar** was called upon to be stoned while we sang the Bad Boy Song and **Horny Flasher** "hatted" him. He sucked back his splash.

**Highbeams** was front and centre for nibbling butt ends, both brown and white! She declared she liked the brown ones best! Have a drink you ol' butt muncher!

Our Druid Priestess prophesised that the three Harriettes waddling to Antarctica would come back with nipples "this size" and their "butts" frozen off! Here is to the Ice maidens **Zip It, D.I.Y.** and **Wenchy!**

**Charges and Accolades** **Charges** from the floor were called for by Mountain Hawk.

#### Charges

**Inspector Gadget** dobbed in the RA for coming back from the run in record time. She turned back because of the weather. Mountain Hawk guilty as charged, came out for her drink.

#### Accolade

**Skippy** had an accolade for the two Ice Maidens, **Zip It** and **Wenchy** who are taking the Polar Plunge to raise money for Motor Neuron. **Wenchy** filled us in on the details. Their plunge will be filmed by **D.I.Y.** ( the only lass with any sense) then posted on the Perth Harriettes Facebook Page for all to see. **TightArse** commented it would have to be a still photo because they would not be able to move!

#### More Charges

**Mental Disorder** was charged for butt eating. He had as many butts as Shifty. Sadly, he missed his drink because the garden was not fitted out for the infirm.

**Mel Adjusted** had two charges on **Skippy**. He charged **Skippy** for racing, or was he chasing **Biro?**

**Hogshit** had to chase **Skippy** to pay for his run! **Two glasses for the kangaroo man.**

**White Pointer** called out the **Inspector** for slipping into the Kiss and drive parking bay and doing what???

**Back to the Future! The GM charged Tightarse, Mountain Hawk and Shifty** for signing the Big Red Book ahead of time. Pre-signed up for Lofty's run! "Sounds like Bull shit to me" song.

**Tightarse** called out **Bell Boy** for missing the first two runs of the New Year! Isn't the **Bell Boy** supposed to ring in the New Year? **Tightarse** presented **Bell Boy** with a real clanger of a bell. I hope I get this story right. Historically this bell has not been rung since **Tightarse** "removed it" from his school premises over 50 years ago. **Horny Flasher** put the King's Crown bonnet on our bell ringer. He clanged away to the Down Down Song.

## Visitors and LTNS

**Visitors: None**

**LTNS:**

**Bell Boy, Zip It, Skully, Big Bang, Sweet Dreams, Knee High, Tutti Frutti**

All had big cups of splash!

## Wimps: A new category

**The RA Mountain Hawk, Pickled Piker, Biggus Dickus, Sweet Dreams, Shifty and Mental Disorder** our only member with a legitimate excuse for not doing trail) **All got a drink for bailing out of doing trail. Sweet Dreams** would get cold if she got wet, **the RA** came back to make a sacrifice, **Shifty** just wanted more butt! The boys just wanted to reminisce undisturbed. Poor **Replicar** had to stand in for the sacrificial Viking Hal.

## Zero Heroes

**Animule: 830**

**Sir Fumbles: 930**

**Hard Case: 120**

**Never Hard: 40**

**Bookends**

**Radar: 545**

**Does his runs backwards: Mel Adjusted** with 543

## Birthdays

**Butterbuns!** Why was there no butter cake? She was presented with the birthday hat and a rousing rendition of "Hashy Birthday"!

## General Business

**Inspector Gadget, Trail master, has put out a cry for help! A Hare is needed for 7 February!**

He presented **Knee High** with her very own **Friday Hash Annual**. She was rewarded with the "**Got Little Tits**" song.

**Noted that Butterbuns volunteered to save the seventh!**

**Sybil** presented the pack with some lost property. **OOPS!** Looks like it was **Drag Queen** that lost his trackie pants! He retrieved them to the "Dumb, Spot of Cumm Song".

## Jokers

**Cookie:** elderly man goes to the doctor for a check up

**Mountain Hawk:** 100-year-old woman goes to the races, to show off her new hat, but the wind reveals her bits

I don't know who told the joke about Boobs versus Willies and the three phases of their aging.

## Dummy Shorts

**M.I.A**

## Song

**Animule**

## Points of Hash Etiquette

## Please sign the Big Red Book

FYI

**The On Sec notes: some members chose not to sign in because a record of their presence is recorded by Hash Cash. Unfortunately, you may miss out on your milestone runs being recognised in the Circle. Mel Adjusted only reconciles the run numbers periodically. Hash Cash is not involved with keeping up your run numbers.**
