Runners Report

Hogshit was called in to report for our elite runners. He commented he was running in unchartered waters, some were zigging and some were zagging. **Hogshit** tried to stay on the straight and miserable. He failed due to all the hills that **Wenchy** had warned us about. He loved the hills and was heard to burst out in song - *"the hills are alive with the sound of hashers calls and horns"*

Run Score: 9.7

Walkers Report

White Pointer reported for the walkers. He reported he was longing for the end of the walk due to the assault on his ears from none other than our resident foghorn **Shadow**. She was certainly in fine form on Friday with a bounce in her step she could be heard miles away.

RA's Report

Our esteemed **RA** looked lovely and sage all at the same time. The leaves on her head were very shiny, they illuminated the circle and cast a glow on all.

She thanked all the fill ins: **Gadget, Radar, Troppo** and **Cookie** and praised their efforts.

It was *International Day for Boys* apparently. So, the RA's dulcet tones rang out as she proceeded to tell us what little boys are made of. Of course, we all joined in. **Bellboy** was lucky and got a DD.

Also, it was *The Day of the Endangered Species* so a few decrepit hashers scuttled into the circle as best they could. **Tightarse** led the pack.

Dead Squid was mentioned. Sadly, he didn't make it to Friday Hash this week. He was a tortoise and Michelle his shell apparently. Not too sure where the RA got her info.

Mental had a miracle map or something

Cookie got an accolade for growing the best limes.

Shadow was charged for imitating Scarface.

The RA called out someone for leaving a corn husk on the table! Bad Manners! Our **Shadow** owned up like the good girl she isn't.

Charges from the Floor

Mental charged **Zip It** with telling him he was sticking out, a claim he didn't deny.

Wenchy charged **Mental** with turning on the oven

Mental charged **Gadget** for having a prick or something.

Accolades

Wenchy on **Mental** for turning on the oven and thank God he did, or the potatoes wouldn't have been cooked. They were delicious.

Mouth Organ got a DD for filling in for **Yo**.

Farewell - Hardcase is heading to Scotland to see and support a hasher friend.

Birthday Girl was **Tutti Frutti** who brought a lovely Chiffon Cake baked by **Knee Hi**.
