**Run: 1794**

**Date: 23/1/2026**

**Hare: Kanye**

**VENUE: Ascot Waters**

### THE CIRCLE:

Twenty-nine hashers gathered on yet another perfect evening for hashing. Many commented that they had not been to that particular venue before, but it is one worth remembering. A leafy park, riverside setting, upmarket real estate, and lots of friendly locals out with their pooches (and some curious ones peering over their front fences).

The mosquitoes were as friendly as they were last week, and they caught up with us at the gourmet drinkstop.

**Yo Adrian** and **Lofty** were unable to attend tonight, so **Cookie** and **Radar** stepped in as GM and On-Sec. **Sheep Shunter** is away on family business, so **GPS** is our stand-in RA.

### THE RUN:

**Kanye** gave the usual chalk-talk and was quickly instructed on the proper farrow mark to be used for Friday trails. A charge was expected, but this hasher thinks that the gourmet drink-stop must have turned everyone's heads, as no charge was forthcoming in circle.

**Phantom** for the runners – 5.96km by her measure – gaps between “hooks” longer than usual, but otherwise a very good run – score 9.5

**Mountain Hawk** for the walkers – fantastic new area, despite the mosquitos, excellent drinkstop – score 9.75

(Maybe could have been a 10 if he’d used Farrows instead of hooks?)

**TightArse** just wants his name in the rag – said it was an OK run.

### **Visitors: LTNS:**

**Camel Toe, TAG, Bell Boy, Roxby, Roller, Buttless, Screwdriver**

It was good to have so many new/old faces with us tonight.

### **CHARGES:**

**Cookie** turned the circle over to the RA.

**GPS** opened with a limerick from **Sheep Shunter**, and announced that this day is the 125<sup>th</sup> anniversary of the death of Queen Victoria. **Mental Disorder** took the down down.

**Skippy** was charge by the **RA** for arriving late - he was watching the tennis. **Inspector Gadget** then gave him an accolade for managing to pay his fee before going on the run. There’s a first time for everything, I suppose.

**RA** charged **Light My Fire** with wearing new shoes – they were just very clean, but she took the DD anyway because she’s a good sport.

He then called from charges from the circle:

**Mental Disorder** on **Skippy** for mistaking **Inspector Gadget** for **Kanye**. He’s been around long enough to recognise **IG** as himself. Do we need to have ICE at Friday H3 for matters as serious as this? In his defence, **GPS** said that it was **Skippy** who introduced him to hashing. That didn’t save him from the DD.

**Mel Adjusted** (Historian) on **Roxby** for getting her number of runs correct when signing the Big Red Book.

**TightArse** on **GPS**: “**RA GPS**” makes him a Man of Letters.

**Mountain Hawk** on **Roller**: As a founding member of Medan H3, which celebrated their 50<sup>th</sup> Anniversary in November, **Roller** should have known better than the choose the only car in the car-park with people sitting in it as cover when she took a squat.

**GPS** took a DD for being stand in RA tonight.

**BIRTHDAYS:**  
**Animule**

**GENERAL BUSINESS:**

**Camel Toe** is returning to Darwin, but promised to visit any time that she is back down. She extended an invitation to everyone to visit her any time they are in the NT.

**DIY** is off to the US for four weeks to visit her newest grand-baby, who is now three months old.

Safe travels ladies!

**Wenchy** – **HARES REQUIRED** for 13<sup>th</sup> and 20<sup>th</sup> February. Call Wenchy 0419 967 433

**DIY** – Harriettes' Blue Dress Run will be 3<sup>rd</sup> March – save the date – flyer will be issued soon.

**Sir Fumbles** has thongs from Perth InterHash available for anyone who wants them. They are all size 8 – perfect for giving as gifts to other clubs while travelling.

**Lost Property:** **Mountain Hawk** has a spoon that found its way into her gear recently. Let her know if you are missing one with an airline logo.

**DUMMY SHORTS:**

**ClockWork Orange** wanted to award them to **Roller**. A great nomination, but overseas visitors are exempt from receiving the Dummy Shorts. **Troppo** suggested that **Mountain Hawk** could receive them as **Roller's** proxy, but that wouldn't be fair to **Mountain Hawk**.

**TightArse** was nominated for mentioning that he hasn't had them for ages.

**GPS** and **Sir Fumbles** were nominated for chatting so much they missed trail.

The vote saw **TightArse** awarded the coveted shorts. Hopefully this won't be the start of a record-breaking tenure.
