Run: 1796

Date: 6/2/2026

Hare: Mountain Hawk

VENUE: Manners Hill Park Pavilion, Peppermint Grove

Another beautiful evening and another beautiful location for our beautiful run tonight. Again, there were lots of dog-walkers out as 34 Friday Hashers gathered in the pavilion. Stand-in GM, **Troppo**, was clearly “pithed” as he called the pack to order, and handed their attention to hare, **Mountain Hawk**, for the chalk-talk. She stated that she was in charge of the cooking (to save us all from foord-poisoning?) and had delegated the setting of the run to **TightArse**. “Yes, there’s a drink stop – On On that way!”

THE CIRCLE: It was noted that the **GM** is never usually seen wearing the Dummy Shorts, but **Troppo** had been the recipient last week when he was a regular hasher. It may never happen again. And he was still “pithed”.

THE RUN: **Kanye** for the runners – nice uphill, good downhill, great views, a pity about all the run-down houses in the area, very sad (9.5).

Megawatt for the walkers – great walk – he saw only expensive houses and excellent views. No-one got lost before the Drink Stop (9.8).

LTNS: **Shifty, Horny Flasher, Ding, Biro, Big Bang, Bell Boy, White Pointer**

BIRTHDAY: **Mountain Hawk** celebrating an “0” birthday this week, with a sparkler-trimmed triple chocolate cake.

SPECIAL RUNS: **Radar** was a zero hero with 590, **Shadow** was a bookend with 696.

RA CHARGES: On **Cookie** for asking the location of the Drink Stop. No-one told her so she had to do the whole run.

There was a police helicopter overhead, so **Shifty** was charged with being an escapee as she was wearing the H4 Prison Run T-shirt.

Shadow was charged as the New Zealand representative to take a DD for Waitangi Day.

Megawatt was charged for staring at the sky, looking for the international space station as it passed overhead, instead of paying attention in circle.

Big Bang – chosen for his finely tuned brain – did not know which game went on sale for the first time on this day in 1935 – he’s not that old. **Mel Adjusted** asked him if he wanted to buy a hotel (as a good hashman would). Of course, it was Parker Bros’ Monopoly – hours of school-holiday fun, and traumatic memories triggered for some!

Mountain Hawk took the DD to commemorate Queen Elizabeth’s ascension to the throne in 1953.

Sheep Shunter’s limerick about a man called McFee was followed by **Troppo’s** limerick about the Sparta Farter.

CHARGES FROM THE CIRCLE: **Sybil** charged **Pickled Piker** with going to the wrong venue for the run, which was the reason for his late arrival.

Hard Case charged **Sheep Shunter** with having the wrong year for Queen Elizabeth’s trip to the throne. It was 1952.

Light My Fire charged the late-cummers – **Biro, Ding** and **Skippy**

DUMMY SHORTS: And the nominations were:

White Pointer for having no hash gear, as he spent too long (in the bar?) with the ladies after bridge and did not have time to go home and change.

Mel Adjusted charged **Sir Fumbles** with leading him astray – they missed the Drink Stop.

Troppo was happy to have them for another week, but **Sir Fumbles** won the vote. They fit him best, as he was **Cookie’s** model when she made them.

GENERAL BUSINESS: **Sheep Shunter** will be away for a few weeks. **Mountain Hawk** has agreed to stand in.

Hare still needed for 13 February. As there were no volunteers, **Radar** will pick the runsite on behalf of the Committee, for a committee run.

HARE REQUIRED for the following week, 20 February. Please contact **Wenchy** and/or **Radar** ASAP

Memorial Service for **Wisecrack**, Sunday 15 February, 2pm.
All Saints Church, 28 Ewing Ave, Bull Creek, followed by
refreshments.

Wear club shirts, or bright colours.

Thanks to **Bull Dust** for providing the details

Close to Your Heart Run will be on Friday, September 18th. **SAVE THE DATE** and stay tuned for ways you can help our club make it a successful fundraiser for The Smith Family.

SPECIAL BUSINESS - Appointment of new GM:

Inspector Gadget announced that only one volunteer had come forward to nominate themselves to take on the coveted role of GM for the remainder of the year, and that is **Horny Flasher**. He asked if there were any other volunteers, or nominations, and there was a general shaking of heads and murmurs of “no” from the circle.

Horny Flasher confirmed that she is willing, and was greeted by general applause and cheers. There were no “Nays” from the circle, so she was welcomed unanimously as the new Friday GM. (34-0)

Horny Flasher then addressed the circle. She said she is honoured to be accepted as the new GM, and hopes to dig a symbolic hole so we can bury the past and move on as a united club. She believes that GM is a position of service, and looks forward to serving the club for the rest of the year.

Megawatt welcomed **Horny Flasher** and commented that the reason we run Hash is to have fun with friends, and he looks forward to the rest of the year.

Horny Flasher then announced that her **OnSex** would be **Ding**. This was greeted by another cheer from the circle. His work roster will keep him away sometimes, but he will make sure there is always a stand-in on the night.

Troppo spoke on behalf of himself, **Phantom** and **Cookie**, having been founding members of Friday H3, congratulating **Horny Flasher** on her appointment. They are pleased that the tradition of having alternating male and female GM's has continued, as they believe that Friday is the only club to do that. Luckily **Horny Flasher** has been refining her GM skills with another club so they look forward to the rest of the year.

Horny Flasher will announce the rest of her committee next week.
