**RUN: 1797**

**Date:** 13/02/ 2026

**Hare: Radar**

**Venue:** Thornle

28 Runners/Walkers signed the book this week for a lovely run starting at Castle Reserve – Thornle, set by Radar – who kindly volunteered at late notice.

## Runners Report:

**Clock work Orange**, said : “It was a long trail – on a hot day, so it was difficult to keep up with the likes of **Bulldust**”

She gave it a 9.5 out of 10.

## Walkers Report:

**Slugger**, said “excellent work – I was able to have lovely chats along the way, well marked”

She gave it a 9.95 out of 10.

Reporters had a down down to the tune of :Hairs on their dickie di-doe.

## Visitors & LTNS:

**Wenchy and Zipit,**

“returned to the fold after absences – they received a down down to : They should be publicly pissed on – nice welcome back.

### Charges:

**R.A.: Mountain Hawk**, (standing in for **Sheep Shunter**), announced that although she was dressed as a Gypsy – she wanted to assure all the Romanies – she held nothing against them (especially when ever **Tight Arse** is watching).

Having No charges – she instead mentioned Runners in the pack who resembled famous Romanies: Charlie Chaplin (**Inspector Gadget**); Rita Hayworth (**Zip it**); Yul Bryner (**White Pionter**); Elvis Presley (**Troppo** – I found that one a bit of a stretch). The look-a-likes took a down down.

The **GM** : gave a special thank you to the **RA** ,as she did not trip over any black cats on the run even though it was Black Friday.

### Charges from the Floor:

**Bulldust** on **Clockwork Orange**: Apparently she was observed woof whistling and throwing 1 \$ bills at **Troppo's** feet when he stripped off after the run

**RA** on **Inspector Gadget**, saying he did not run, or even move from the circle – Gadget had an excuse – Drs orders.

Not sure the circle was convinced with Gadget : as both charged was given a down down to : “Here’s to the Pikers”

### Special Runs and Zero Heroes

**Mel Adjusted** 590, **Wenchy** Bookend with 790, **Sybil** 720.

### Birthdays

**Dynamo**, who received a special accolade from the **RA**: she didn’t bring a cake last week (actual birthday), as She knew there would be one for the **RA's** 80<sup>th</sup> – and she didn’t want to steal the lime light.

Good news – she didn’t want the circle to miss out on a cake – so she brought hers this week – a cheer went up – then she was given a down down: “She’s all right”.

### Dummy Shorts

**Fumbles** nominated: **Clockwork Orange** – rumour is she navigated how to get to the run for **Replicar** – but he wisely decided to ignore her when he started seeing signs announcing they were on their way to Kalgoorlie.

**Phantom** nominated: **Buttered Buns** – apparently, she was seen apologising to a sign post when she ran into it.

Buttered Buns – is announced as winner by the circle – rather harshly.

Down down : “She’s stupid, she’s stupid “

### General Business

- The **GM** announced that besides herself (Horny Flasher), And **OnSec** (Ding), all other committee members have agreed to stay on during her GM-ship.
- **Inspector Gadget** requests we let him know if we will attend the **RUN 1800**, for catering purposes.
- The **GM** said if people want to volunteer to be Song Mistress/Master to let her know – for now we will take it in turns to lead down downs etc.
- Mental disorder got circle approval – to reinvest lotto winnings into a ticket for following Tuesdays \$30 million dollar draw – carried.

### Jokers

#### Cookie:

There was a guy requesting materials so his wife could roll her own tampons. as he had bought him rollie tobacco – cheaper then cigarettes.

#### Tight Arse:

In Vietnam he know a guy covered in fire: he was a Napalm Reader.

#### Mel Adjusted:

Lets just say – this one received a groan from the female members of the crowd.

**Bulldust** and **Troppo** also told jokes

Down down was called to: “for they are jolly hashers”.

### Song

Friday hash – after a lead was sung joyfully by all
