33 Runners/Walkers paid for a run this week for a lovely run starting at 44 Halvorson Road, – Morely, set by Wenchy.

Franger said : “It was long and boring trail – but nice for the area ? he then gave it a 8.7 out of 10.

Walkers Report:

Sybil, said “very well done – We had a lovely talk ... it was short and sweet – but no bloody drink stop ?”

She gave it a 9.2 out of 10.

Visitors & LTNS:

Franger, Knee High and Tutti Fuity,

“returned to the fold after absences – they received a down down to : They should be publicly pissed on – a song that makes you feel a nice welcome back.

Charges:

R.A.: Mountain Hawk, (standing in again tonight for **Sheep Shunter**),

Charge on **Ding**: People were panicking that he had lost his natural flair and wizardry in the field of computing and communications? – they were concerned he maybe feeling overloaded with a heavy workload ?

Well what she actually said was : “ A lot of Hashers rang up and said has he worked it all out yet – where is the bloody rag – lets burn DING”

Ding apologised, promised issued should be fixed.

down down (can't remember could have been to: ... he's useless, he's useless

The **RA** , then asked about which hashers were born in Chinese New Year symbols: She then nominated the following to have a down down to celebrate the festive season:

Year of the Horse : **Animule** because that is close enough.

Knee high was also chosen as a representative of the season

The chosen ones had a down down to : Hooray for these 2 – they are a horses arse”

The RA then mentioned it is also the Muslim Ramadan season:

Replicar was chosen to take a down down, as he looks like someone who probably fasts

He received a down down to : “ He's a true blue pisspot”

Lent was then mentioned:

Inspector Gadget was then chosen as hash cash, it was thought he might be a “lender” close enough to the word lent ?

Circle possibly thinking this was a long stretch : gave him a down down to: “bull shit, bullshit it all sounds like bull shit to me”

Charges from the Floor:

Mel adjusted on **Skippy**: Apparently arriving late he was observed slamming his car into the curb in order not to miss the start of the run.

down down to : “He's stupid”

Tight Arse on **Ding**, saying he confused book ends and zero heros in the rag.
down down to : “what a wank what a wank”

Biro on **Bulldust** – apparently, he didn’t believe a false trail and refused to call it.
down down to : “He’s alright”

Mel adjusted on Fumbles – who was looking very clean shaven – too respectable for FHHH3 ?

Down Down to : “Hang’s down to his foreskin ”
