RUN: 1800

Date: 06/03/ 2026

Hare: Sheep Shunter

Venue: Restaurant Run -Tuart Hill

36 Runners/Walkers attended this week for a short run but a lovely meal and a **Club Celebration** of 1800 runs. Starting at 207 Wanneroo Road, – Tuart Hill Restaurant, set by Sheep Shunter.

THE GM (Horny Flasher): At the end of the run as we all sat down in the Restaurant announced: “In Celebration of FHHH3’s 1800th Run: The meal and drinks would be paid for by the Club there were cheers and celebration.

The Circle:

Runners Report:

Phantom said: "It was short and sharp trail – but perfect as the pack was excited to get back to the restaurant and start the celebration.

She then gave it a 10 out of 10.

Walkers Report:

Zip It, said "great walk, well marked, in and out trail

She gave it a 10 out of 10.

Reporters had a down down to the tune of :Hairs on their dickie di-doe.

Visitors & LTNS:

Sheep Shunter, Light my Fire and Shadow,

"returned to the fold after absences – they received a down down to : Hairs on their dickie di-doe. – a song that didn't offend any of the Restaurant's non Hash guests.

Charges:

R.A.: Sheep Shunter,

Charge on GADGET: The RA received a phone call at 5.15 – "I'm lost – need directions" down down for the mis-directed one to: (... he's an arse hole useless, he's useless).

Charge on TROPPO: "Asking what day it was ... at "FRIDAY" Hash down down for the mis-informed one to: (... he's an arse hole useless, he's useless).

Charge on FUMBLES: Spilt his beer on GADGETS attendance paper work – who was very sad about it.

down down for the clumsy one to: (... "It won't take long").

Charges from the Floor:

Gadget on BULLDUST: Apparently left the FHHH3 horn on the bus he arrived on ! Will it ever be seen again ?

down down to : " Hes true blue" (Although I may have heard a few singing "He's stupid").

Tight Arse on GADGET, saying he has had a hair cut for the first time known ... doesn't he know the story about Sampson and Delia?

down down to : "Oh The Do Da Day"

Replicar on SHEEP SHUNTER – for apparently, giving Replicar so little chalk to cross out the false trails and checks, Rep was wearing his knuckles to the bone for the second half of the run.

down down to : "For He's a jolly hasher" - Was Rep singing ?

Lastly

White Pointer on Replicar – “an Accolade” apparently he warmed up by running to the run ?. It was pointed out to White pointer we were expecting “charges”, so he quickly changed his accolade – to a Charge on **CLOCK WORK ORANGE** – she didn’t keep up to Reps standards – even though she has a bike worth more than a small car – she was seen getting off a bus!

Down Down to : “Here’s to the lazy one ”

Special Runs and Zero Heroes

Inspector Gadget 212, Kayne 20, Diy 44. White Pointer 535, Animule 880, Dynamo 171, AND the GM - Horny Flasher 300 – who received a FHHH3 mug, cloth 300 run badge, nice “gold – coloured” metal lapel 300 run badge – and a cake !

Down Down for all to : “Get a life”

Lastly

FHHH3 – with a club celebration for reaching the **club reaching it’s 1800th Run.**

A celebration cake was well received and: honours of cutting the cake was given to Cookie, Phantom and Troppo in recognition of I think “being at the 1st run ?”.

Birthdays

None again this week ? Confirmed - not many of our parents honey mooned in **May** apparently.

Dummy Shorts

Mel Adjusted nominated:

FUMBLES – Spilling his Beer on Gadget’s paper work (but was it the wind ?).

WHITE POINTER – actually spilling his own beer over (but no damage was done ?)

BULL DUST – Leaving the FHHH3 Horn on the Bus – possibly never to return ... and the crowd lit up **BULL DUST** wins, (It wasn’t close to be fair!).

Down down to : “He’s stupid “

General Business

- **Mental Disorder** collected money for Lotto (Power Ball), if you missed out call him – quickly so you don’t receive post cards from the Bahama’s from the rest of the club.
- **Sheep Shunter** gave **Mountain Hawk** an accolade for filling in as **RA** in his absence.
- **Wenchy** needs **Hares for April 17th and May 1st** – please volunteer, (do it soon before Wenchy goes away – or she said on the date it will be someone else’s F.... problem !).
- **Phantom** asked for a club cheer for FHHH3 reaching 1800 runs, “up the naysayer’s who said it would never last !” And there was much cheers and rejoicing !!!

Special Business

None This week. (Short Circle is a good circle Or as the On Sec says F.... great circle).

Jokers

No Jokes this week – Hey we were in a public place and lets face it ... we're not interested in the clean ones!
