**Venue: Jackadder Way -Woodlands**

29 FH3 Harriers attended this week for a run through the streets, Lake and bushland of the lovely Woodlands, set by Animule who set us off with a “hope you have a good memory so you can remember which way the last arrow you saw was pointing! - good luck – just keep referencing the Southern Cross”

NB. No Arrows – good luck

### **The Circle:**

This Week The **GM (HF)** was feeling under the weather so **Mountain Hawk** filled in as stand in GM. **Horny Flasher** having given her apologies.

We also thank **Hardcase +Dynamo** standing in as **Splash** for **Mental and Menstrual Disorder**.

### **Runners Report:**

**Kanye** said: Started as a Great run, until the runners began to realise there was something missing ? .... but just when it seemed the pack was hopelessly lost - **Clockwork Orange** with the luck of the Irish – was heard to shout “I found a bloody arrow – for f.. sake” (mouth on that girl – too much time spent in Belfast, to be true).**Kanye** went on to say -high light was good use of FT’s that did well to keep the pack together -as the run was actually longer than he thought.

he gave it a 8.5 out of 10 (tough call ?)

### **Walkers Report:**

**Knee High**, said “Not well marked – we all got lost”, but lovely area – I like it here.

Score: a 8.5 out of 10.

Reporters had a down down to the tune of :”Hairs on their dickie di-doe”.

### **Visitors & LTNS:**

**TWA**, - returned to the fold after a long absence. – but was remembered by the longer serving members of the pack.

– She received a down down to : “It won’t Take long”.

### **Sad Farewells & Coming Absentee’s :**

**Kanye**, - announced he would be going to Canada and the US shortly and may be away for some time.

Holiday’s announced by **Sluggger**, **Hogshit**, **Never Hard**, **Shadow** and **Deliverance** – who will be away for a little while

– All received a down down to : “Till we meet again – don’t know where, don’t know when – but we know we’ll meet again – some sunny day”.

### **R.A. Charges:**

**R.A.on : Gadget**,

RA started by reminding us that it was”World Happiness Day”, which lead to the charge as he had noticed Gadget – “being a grumpy bastard”.

**R.A.** then charged: **White Pionter**, who had complained that his train was packed – and he had to stand up all the way – even though a little girl had offered to give up her seat – but much to White pointers dissatisfaction had been told by her Mum, not to talk to the “Old Hobo wearing the weird clothes”

These Two received a Down down to: “They cant get no Satisfaction”.

**R.A.** then proceeded: to charge: Clockwork Orange, for not conforming to international safety gear conventions of having a white light on the front and a red light on the back of her bike – The Pack thought about putting a word of support for her – but then decided to point out “ she also never wears Hi Viz either” ... Clockwork was heard to say “she was being stitched up tighter than on a young couple’s Irish Swaddling date ... to be sure”

She received a Down down to :” She aught to be publicly pissed on”.

**R.A.** then proceeded to discuss the incredible increase of diesel fuel recently during war in the middle east. Due to the large increase in their cost to attend Hash recently those with diesel cars should at least get a free drink !

**Mel Adjusted, Troppo, Ding, Gadget** and **Replicar** were all called up for a free down down

**Ding** was heard saying “but mine’s only a small one” – but he thinks this statement was misinterpreted by the pack -who replied “Poor **Biro**, if she was here she’d get a free drink too”

All had a down down to: “always look on the bright side of life”

A special song was sung for **Biro** in her absence “If your un-happy **and you know it** “.

**R.A.** then delivered one more:

**Charge** on **Slugger**: Apparently today is the Equinox – which means we will be getting weather just like WALES in UK, but Slugger has decided to spend a fortune going all the way to WALES on Holiday to get to same weather we will all be enjoying?

She received a down down to:“She wears silk Pajamas”

### **Charges from the Floor:**

**Gadget** on **Clockwork Orange**: for not wearing any IRISH colours on St Patricks week”

She received a down down to : “Irish Eyes are Smiling”

### **Special Runs**

None this week

### **Book Ends**

**Kanye 22, Mel Adjusted 565, Fumbles 979,**

### **Zero Heroes**

**Tight Arse 640,**

All got a down down to : “Get a life”

### **Birthdays**

**None** again this week ?

## Dummy Shorts

This week the **RA** asked for Random Nominations to be shouted out by the Pack and the following were received:

**White Pionter:** He is beginning to look like “**Rip Van Wrinkle**” – therefore :he is an impersonator – so we need to give him a different look!

**Gadget:** He resembles a Leprechaun supposedly - and they always are looking for a prize?

**Clockwork Orange:** Who was supposedly heard arguing that finding the way into the park to the start of the run was “too confusing”

**Carry Over ?:** To which **Shadow** was heard to say “ If I have to wear them again next week – I’m washing off the odour Le Troppo and his stains – to which Troppo was heard crying “no – years of hard work”.

**And this weeks winner :**

**Gadget** (It was a closer call then normal – with some of the pack mentioning “some of those stains are getting nasty”, - did I see a smile back on Troppo’s face ?

The Dummy shortie received a down downed to “I love the smell of Roses – in the spring time”

## General Business

- It was asked if FH3 has access to a **first aid kit** on runs ? **Slugger** replied YES, part of habberdash – and would leave it behind during her holiday.
- **Ding:** Mentioned in response to a Circle question about **future run awards**, that the **GM** was considering history of past awards as well requesting committee suggestions going forward. Ding did not want to talk for the GM, but assured the Pack that the GM would suggest a system going forward soon for the circle to reach an agreement.
- **Mel Adjusted:** If you need information **RE: Interhash**, rego forms etc let him know – but it is also on the web site.

**Tropo:** told one about a decrepit old guy “**White Pionter**” was on his death bed, but could smell a cake being cooked by his wife – he asked: “please before I go just one slice of that lovely cake – but the wife replied “piss off it’s for the Wake”.
