RUN: 1809

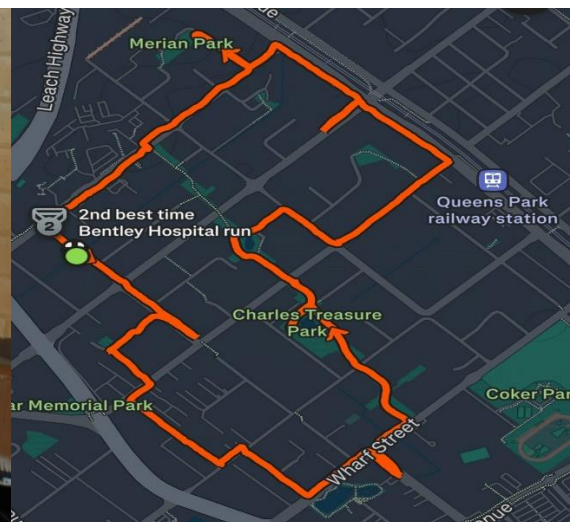

Date: 15/05/ 2026

Hare: Horny Flasher :Venue: Cannington.

29 FH3 Harriers attended this week's run – limbered up, as usual showing absolute peak physical fitness - ready to hit the streets of Cannington.

The Hare: GM: Horny Flasher

The Run Area: Cannington.

The Circle:

This Week the Run was set and hosted by our glorious **GM (Horny Flasher)**

Runners Report:

Hog Shit said: He had taken feed back from Zeppy ? who reported being very happy with the run “as it was flat, with no hills or humps – which may have caused problems for his low hanging under gear” – Hoggy added that all the Farrowes were present and correct.

he gave it a 9.75 out of 10

Walkers Report:

Zippit, said “Lovely Views, She really enjoyed the walk and Talk”

She scored a: 9.9 out of 10

Reporters had a down down to the tune of : “Hairs on their dickie di-doe”.

Visitors & LTNS:

Di Liva Rants, Zippit, BigBang, Wenchy, Biro and **Ding** were all back for a run as **LTNS**
All had a down down to: “They are Piss Heads”

R.A. Charges:

The **R.A.** started with a charge on **Troppo**, for having complained that everything was falling apart – the RA advised **Phantom** – it was looking like a good time for her to consider a trade-in – before they charged her to tow him away.
Troppo received a Down down to :” Give me the good old Vino”

R.A. next charged **Wenchy** – as there had been a complaint from **D Liva Rants** that Wenchy had left her panties at her house – “a bit too personal”
Wenchy received a Down down to :” their all right”.

R.A. next laid a charge on **Bull Dust**: Who was picked as a representative of the DUTCH who on this day in 1648 finally kicked the Spanish out of several of their colonies.
Bull Dust received a Down down to” He should be publicly pissed on”.

R.A. then proceeded to call out and Charge **Clockwork Orange** – and presented her with **the Jabber Jaws** – for her continued chatter during the circle.

R.A. proceeded with a Charge on **Mel Adjusted, Troppo and Relicar**: Apparently as representatives of **Hamersley Hash** – which fitted into the RA's limerick for the week which was all about people into "Buggery".

They received a Down down to : "Hamersley take it up the Arse ... Do Da".

RA once more called up **Clockwork Orange** – still talking ?? – slow learner or Irish ?? - Presented with **the Jabber Jaws** for the rest of the circle !!!

She received a Down down to : "It won't take long".

(but apparently that does not refer to shutting up – not on her own there – I'd just like to mention).

RA finished by Calling up **Fumbles, Cookie and Knee Hi** – all going away for some time – the pack will give them a drink - as we are all jealous.

They received a Down down to : "She's Stupid, She's stupid".

Charges from the Floor:

Di Liva Rants on **Knee Hi**: Apparently arriving back at On Home – she heard members of the Pack calling "On On" and thought it meant she had to complete the Trail again? She was told to re-read the first page of the Hash Rules manual!!!

She received a down down to : "It wont take long"

Replicar on **RA**: Apparently the RA asked Replicar what day it was? – Rep helped Google it finding that it was "Endangered species day" took some time to find this information – but the RA didn't even mention the fact in the circle.

The RA – pulled out his "get out of Jail free card " and didn't receive a down down ?

Bull Dust on **Hogg Shit**: Apparently Zeppy took a D..mpin the middle of the Circle.

This is a major misdemeanour in Hash.

Hogg shit – assured the Pack everything had been cleaned up before the circle started !

He still received a down down to: "what a wank what a wank, wank ,wank"

Lastly **Clockwork Orange** was then hauled out into the Circle - to be publicly shamed for having to wear the **Jabber Jaws** for the entire Circle – due to her refusal to "shut the f.ck up"

She received a down down to : "Bimbo was her name -o"
