**RUN: 1810**

**Date:** 22/05/ 2026

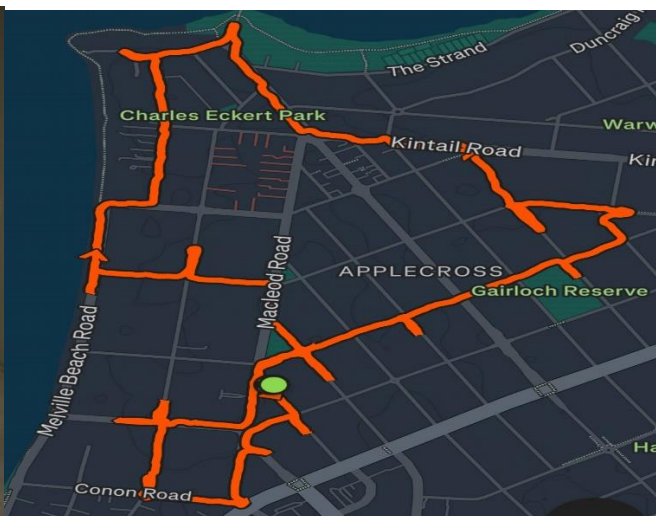

**Hare: Buttered Buns :Venue: Applecross.**

29 FH3 Harriers attended this week's run – Most limbered up, as usual showing absolute peak physical fitness - ready to hit the streets of Applecross.

Exceptions were **Biro** -limping badly and **Ding** who only managed to escape from Prison at the last moment.

The Hare: Buttered Buns

The Run Area: Applecross (7.6km).

### The Circle:

This Week the Run was set and hosted by our Hare: **Buttered Buns**

### Runners Report:

**Repricar** said: Good Run, well marked – except for the On Home ? -apparently we ran back over trail – so the Farrowes were facing the wrong way, which lead to a little confusion – although some in the Pack questioned whether on Reps part this could be due to “old person problems”?

he gave it a 9.0 out of 10

### Walkers Report:

**Light My Fire**, said Very good walk – although there was a long gap in Farrowes at the front of the - marking came good after that.

She scored a: 9.8 out of 10

Reporters had a down down to the tune of : “Hairs on their dickie di-doe”.

### Visitors

**Shrek, Sandstorm, Ah Bing Mei, Talking C, Screwdriver and Buttless**

### LTNS:

**Tight Arse, Mountain Hawk, Radar and Mel Adjusted**

All had a down down to: “They are arseholes that should be publicly pissed on !”

### **R.A. Charges:**

The **R.A.** started with a charge on **Ball Wrinkle**, for Representing Alaska, supposedly Trump has caused an argument there this week – not sure Ball wrinkle is happy to be Trump's representative – but there you go.

He received a Down down to : "What A wank, wank, wank" (seems the Pack see's the link to be weak as well ?).

**R.A.** next charged **Mountain Hawk and Tight Arse** – Tight arse was feed Uber eats each day by Mountain Hawk during a recent hospital stay, which was required as a new washing machine was not installed by tight arse (even though he's the engineer) – flooded the house causing him to slip – causing the trip to hospital (but I didn't see him complaining about the Uber meals, giving him a break from her cooking ? – could be further trouble brewing !!!).

They received a Down down to : "I like the Vino – makes me feel so supreme o".

**R.A.** next laid a charge on **Srewdriver**: RA picked him as a rugby player – On this day All Blacks first played in World Cup (1987)

He received a Down down to " He's all right".

**R.A.** then proceeded to call out and Charge **Gadget** – and presented him with **the Jabber Jaws** – for continued chatter during the circle.

**R.A.** then called **Menstrual Disorder** : charge was letting her dog get out of control, see going to left : to the right : to the middle. Menstrual denied the charge – saying dog well behaved !!

She received a Down down to "In heaven there is no Beer".

**R.A.** then called **White Pionter** : charge caught checking phone for cricket scores in the circle

he received a Down down to "Get a life". (was Ding seen asking for cricket score updates ?).

**R.A.** then called **Shifty** : Was told by Hare to go past the false trail but didn't do it – was just standing at it and had to be convinced by the Pack to carry on – she was reminded that Spec Savers now also sell hearing aids !!

She received a Down down to "She's all right – got little tits – but she's all right".

### **Charges from the Floor:**

**Gadget** on **Mouth Organ and Shifty**: Apparently they celebrated running in to finish the trail first – only to then realise they were at the wrong house – by the time they walked in the Pack had arrived.

They received a Down down to "Looser, looser".

**Tight Arse** charged **White Pionter** : Talking up being the Oldest Pack Member in his absence : White Pionter was called out for being the "Pretender"

he received a Down down to "All sounds like bull shit to me".

**Mountain Hawk** charged **Biro**: For looking like she was returning from the Base Camp of Mt Everest – not South Korea as reported.

She received a Down down to: "Bimbo was her Name -o")

**Mel Adjusted** charged **Mental Disorder**: On phone whole circle ?  
he received a Down down to "He's stupid".

**Knee High** nominated **Shifty** and **Mouth Organ**: Who at On Home apparently run into the neighbours house for the circle. – luckily they noticed their mistake before Police were called.

**White Pionter** was nominated as a carry over.

Some home **Shifty** dodged the final nomination round and the vote was between

**White Pionter** and **Mouth Organ**: close – it took about 6 votes, but in the end the

A Nun gets into a taxi. She notices the driver staring at her.

She asks: “is something wrong, my son”

The driver says “ I’ve always had a fantasy of being kissed by a Nun”

The Nun agrees, but only if he is single, and catholic.

He says he is so they kiss passionately

The driver then starts crying – and the Nun asks why ?

The driver says I feel so bad – I’m actually married and Jewish !

The Nun says:

That’s ok my son:

“My name is Kevin and I’m on my way to a costume party”
