RUN: 1812

Date: 05/06/ 2026

Hare: Ball Wrinkle :Venue: Percy Doyle Park, Dianella.

The **25** FH3 Harriers attending this week – enjoyed a Run and Walk through the streets of Dianella.

The Hare: Ball Wrinkle

The Run Area: Dianella (4.78km).

The Circle:

This Week the Run was set and hosted by our Hare: **Ball Wrinkle**

Runners Report:

Franger: Long time no see Franger, the only runner apparently who did the whole run (some say twice) said the run had all the things he liked in a run. It was well marked, it had up hills and down hills with a bit of flat in between and a drinks top at the end.

he gave it a 10 out of 10

Walkers Report:

Light my Fire : was less impressed with the up hills despite the down hills (Replicar did remind her that on the average the Run was quite flat)

She scored a: 9.99 out of 10

Reporters had a down down to the tune of : "Hairs on their dickie di-doe".

Visitors

Left for dead: Was welcomed to the FH3 Pack this week – which helped made up for quite a few missing regular FH3 hashers who were reported as away enjoying a trip down south to the Busselton special 2000 run this week.

LTNS:

Franger, Hard Case, Dymamo and Da Liva Rants, were all welcomed back amongst the fold and into the FH3 Pack for the run and Circle this week.

All had a down down to: "They are piss pots "

R.A. Charges:

The **R.A.** had no shortage of charges this week – first in his sights were **Animule** who despite managing to be the master of short cutters, still came in last. He must of missed that there was a drink stop at the end of the run!

Down – down to "In heaven there is no beer ..."

Slugger was called out for not providing donuts on Internation Donut Day and had her down-down to the modified version of "She's alright ... got not donuts ... but she's alright".

Gadget & Maladjusted despite short cutting the walk were caught resting at the top of a little hill because they were bugged. Gadget denied he was bugged he was just waiting for Maladjusted – (Q: was what was he hoping for ?)

Down down to : ... “They should be publicly shot ...”

The **R.A.** not finished with putting the pack in the firing line, **Clockwork Orange** was charged for slacking off by not riding to the run, after being spied getting out of Replicar’s car. There was some excuse of trains and city limit but it was a bit difficult to follow, so she gracefully took her medicine to:

Down down : “Stupid, she’s stupid ...” (Not sure that makes sense, I’d say getting a lift to the run rather than riding on a cold night would have been... “not stupid”).

R.A. then recited a **limerick** from 1952 about some fellow from Burrows, but it was lost on some due to the lack of rhyming. Fortunately, he held off the weather for a beautifully dry first run of winter, so we must make allowances. **Radar** then provided a clean rhyming **limerick** for us to enjoy.

R.A. closed out by dragging **Gadget** into the circle to play guess what was special about today. The 1812 overture was a long way off Eisenhower’s D-Day, with the first English glider landing in France this night sometime ago. Gadget closed out the R.A.’s circle with a down down to: “He likes the vino ...”

Charges from the Floor:

Shadow was quick calling **Shifty** out for hobbling along from RSI of the hip ... **Animule** was featured in the charge but not sure what he had to do with Shifty’s hip.

They had a Down – down to Sex is boring ...

Gadget on **Bell Boy** for having a hot left hand when he arrived and handed over his run cash.

Down-down to Keep it in your hand Mrs Murphy -(not sure what Gadget was implying).

Replicar on **Ballwrinkle** for being stingy with the chalk to redirect trail and resulting with him incurring a hand injury ... Ballwrinkle got a little down-down song.

Hoggie called **Replicar** back out to thank him for putting his body on the line for the rest of us at the back of the pack ... his medicine was taken to “He’s alright”.

Dummy Shorts

Dummy Shorts was a carry over this week : **Tight Arse** – failed to show-up to this weeks Run – the Pack screamed out – he can keep them till the next time he shows up. I think he had better have a few good nominations!

He received a down down to “he’s Stupid”

The Pack went wild in his absence to a down down of “He’s stupid he’s stupid”.

General Business

Lost property – **Biro** collected **Ding’s** Santas Favourite stubby holder and the owner of the fork left at Horny Flasher’s run failed to step forward ... next week?

Jokers

Bulldust filled in for Troppo and his joke on bakeries and rolls certainly was to standard.

Gadget revived the son born with just a head.

Da -liva rants put a smile on everyone's face with the difference between genealogists and gynecologists.

The Jokers received a down downed to "For they are Jolly hashers"

FH3 On-Sec jokes of the week:

"My senior relatives liked to tease me at weddings, saying things like, "You'll be next!" They stopped once I started doing the same to them at funerals."

Son: "Dad, did you get the results of the DNA test back?" Dad: "Call me George."

What is the worst combination of illnesses? Alzheimer's and diarrhea. You're running but can't remember where.

"I was drinking a martini and the waitress screamed "does anyone know CPR?" I yelled, "I know the entire alphabet" - The whole bar laughed and laughed. Well, except for one person."

FH3 Song

Shadow closed out the circle with the song.

The pack joined in and the song was sung joyfully by all !
