**RUN: 1813**

**Date:** 12/06/ 2026

**Hare: White Pointer : Venue: , Subiaco Football oval, Subiaco.**

The **22** FH3 Harriers attending this week – enjoyed a Run and Walk through the streets of Dianella.

The Hare: White Pointer

The Run Area: Subiaco (7.8km).

**The Circle:**

This Week the Run was set and hosted by our Hare: **White Pointer**

### Runners Report:

**Hog Shit:** said **White Pointer** knows some of his farrows were strange and his runs can be a bit hard to follow – but Hoggy added this run was actually very good – well set and marked.

he gave it a 9.7 out of 10

### Walkers Report:

**Knee Hi** : said – It was a good run with pretty good markings.

She scored a: 9 out of 10

Reporters had a down down to the tune of : "Hairs on their dickie di-doe".

### Visitors

None this week.

### LTNS:

**Knee Hi**, was welcomed back amongst the fold and into the FH3 Pack for the run and Circle this week.

She had a down down to: "She's a piss pot "

### R.A. Charges:

The **R.A.** first in his sights were **Mel Adjusted, Gadget and Animule** who apparently needed to be shown short cuts around the trail by **White Pointer**.

Down – down to "They should be publicly pissed on ..."

Next **Bulldust** and **Buttered Buns** were called out for being caught "having sex on the run"

They had a down-down to "Sex is boring".

**Radar** was called out next to represent Nurses on International Nurses day (Slugger was heard mentioning she was actually a Nurse – and where was her drink ?)

Down down to : ... "I like the beer"

The **R.A.** not finished called out **Wenchy** to ask what famous song was released on this day in 1965? The answer was Rolling Stones – Cant get no Satisfaction.

Down down : "She's alright"

### Charges from the Floor:

**White Pointer** was called out by the circle : The list was long, wrong Farrows, checks and FT's all seen on the run. But there was a shout out from the circle "we criticise people who volunteer to set a run too much – anyone who sets a run should be applauded – other wise some can be too scared to set one " It's a good point !

he had a Down – “Spot of Cum” ...

**Gadget** on **Ding** for last weeks Run Rag listing location as Dianella instead of Duncraig (or was it the other way ?). either way it was past history right ?

Down-down to Keep it in your hand Mrs Murphy -(not sure what Gadget was implying).

**Replicar** on **Wenchy** for not chalking off the FT's, But there was a defence – NO CHALK supplied ! – the charge was reversed, Replicar ended up with the drink !

Down-down to “Mrs Murphy”.

**Light my Fire** called on **Replicar** and **Hog Shit**: they apparently skipped the first part of the trail ? and started the whole pack off with a short cut !

Down-down to “This is a little down down song”.

Lastly we had **Animule** call out **Gadget**: leaning on a table during the circle – lazy bastard !

Down-down to “Im just leaning on this table ... hoping a little lady comes by”.
