The **R.A.** then asked the **GM.** Why she wasn't following trail ?

But the Pack shouted can't charge the GM – so **Hardcase** was called to have a down don on The GM's behalf.

He received a down down to "take it in your hand Mr's Murphy"

Next the **R.A.** asked **Gadget** hat happened on this day in 1886 – but hang on he knew – Benze invented the motor car !

He had a Down – down to "I like the beer...I like the Vino"

Next the **R.A.** called out **Radar**, : who apparently should know the international day ?

No response: The answer was no plastic shopping bags day ? she protested that no one would guess that !

She had a Down – down to "she's stupid.... She's stupid"

Next up:

The R.A. asked what else today was famous for? Answer was Jim Morrison died aged 27, clue was he sang" light my fire" – **RADAR** got it right.

Down – down to "Come on Baby light my Fire"
