On-Secs Weekly Joke:

A filthy rich Florida man decided that he wanted to throw a party and invited all of his buddies and neighbours.

He also invited Leroy, the only neighbourhood Redneck.

Leroy was having a good time drinking, dancing, and flirting with all the women.

Then the host said, 'I have a 10 foot man-eating gator in my pool and I'll give a million dollars to anyone who has the nerve to jump in.'

The words were barely out of his mouth when there was a loud splash.

Everyone turned around and saw Leroy in the pool! - fighting the gator and kicking its ass! Leroy was jabbing it in the eyes with his thumbs, throwing punches, head butts and choke holds, biting the gator on the tail and flipping it through the air like some kind of judo instructor.

The water was churning and splashing everywhere. Both Leroy and the gator were screaming and raising hell. Finally, Leroy strangled the gator and let it float to the top like a dime store goldfish. Leroy then slowly climbed out of the pool. Everybody was just staring at him in disbelief.

Finally the host says, 'Well, Leroy, I reckon I owe you a million dollars.'

'No, that's okay. I don't want it,' said Leroy.

The rich man said, 'Man, I have to give you something. You won the bet. How about half a million bucks then?'

No thanks, I don't want it,' answered Leroy.

The host said, 'Come on, I insist on giving you something! That was amazing!

How about a new Porsche and a Rolex and some stock options?'

Again Leroy said no.

Confused, the rich man asked, 'Well, Leroy, then what do you want?'

Leroy said,

"I want the name of the son of a Bitch who pushed me in the pool!"

FH3 Song

Tight Arse closed out the circle with the song.

The pack joined and the song was sung joyfully by all
