The Run

Another fine night for a **Hash Run**, not too cold as **26 Friday Hashers** turned out and you've got **Inspector Gadget** still standing in as your **On Sec** and **scribe**. The location of Wenchy's place has hosted many a Hash Run, so the location and area didn't hold any surprises. As usual, our **GM Horny Flasher** called Circle Up just prior to 7pm to get everyone assembled and prepared to get this weeks **Hash Run** underway. It was noted by **Bulldust** and me that the **GM** seems to have a time piece that needs to be introduced to the Post Office's Talking Clock, if that's still a thing...?? As is usual with any run set by Wenchy, no drink stop, just get out there and do it and get back.

Runners Report

The **GM** got the Circle going by asking a runner to report on the **Runners Run**. The **GM** has a tough time these weeks in selecting who from the three Runners she's going to ask to comment on the run. This week it was Replicar's turn to let us know his thoughts on the run. He thought that it was a great run with all the Hills (I think he

was being just a tad facetious...) and he reckoned that he could hear the Walkers who had forgotten to bring a torch complaining that it was dark. No shit Dr Livingstone... End result was a score of **9.5**

Walkers Report

Knee Hi was asked to comment on the **Walkers Run**. Her comment was short and to the point, Pretty Good Run and no Hills (so there Repie), also scoring the Run as **9.5**
Down Down to "The hairs of her dicky dido..."

LTNS

On In **Light My Fire; Tutti Frutti; Shadow & Hopping Mad**. They were all welcomed back from their travels and given a drink.
Down Down song was "They ought to be publically..."

Zero Heros

The Zero Hero's this week were **Knee Hi** on **50** Runs and **Mental** on **160** Runs
Down Down to "In heaven there is no beer"

Book Ends

We had three Book Ends this week with the following, **Troppo 1551; Mel Adjusted 616 & Dynamo 191**
Down Down to ??? (Buggered if I remember as I didn't write it down...)

Charges from the RA

The **RA** (aka **Sheep Shunter**) took over the Circle and called in **Troppo**. What has he been up to now I hear everyone cry. The **RA** was concerned that **Phantom** wasn't there this week and had heard that she had suffered a groin injury and thought that just maybe this was caused by **Troppo** with an inference on Swinging... Down Down to "Sex is boring".

Next in was **Hard Case** due to something about finding the first check which had the **RA** confused, which most of us know isn't hard to do... Down Down to "Here's to Hard Case".

We were then posed with the question of what happened 20 years ago?? There were lots of guesses until **Hopping Mad** nailed it, it was 20 years since our Crocodile Hunter Steve Irwin got nailed by a manta ray (pardon the pun)... **DD** to "She's got small tits"

After the loss by Freo in the AFL Final Round, the **RA** called in the Freo supports consisting of the **GM; Shadow & Cookie** with a DD to "Here's to the Freo Followers"
It was Limerick time and after the **RA** did his thing, **Gadget** had one about having two girlfriends at the same time (he wishes...). They both had a Down Down to the "Himbo Song".

Next the **RA** wanted to know what Special Day it was? Again, lots of guesses, but it was **Radar** who nailed it with National Macadamia Nut Day. She got a DD to “She’s got little tits”.

Last quiz question from the **RA** for the week was about a Beatles song released back in 1962. As usual lots of guesses but no winners, so the RA told us all that it was “How do you do what you do to me?”. But the **RA** had screwed up as this song was released by another Liverpoolian group, Gerry & The Pacemakers. For some inexplicable reason **Shadow** took the **DD** to the song “Good old Vino”

Charges from the Floor

Mel Adjusted was first in with the question “What day is it tomorrow”? No one had any idea, it was International Nudist Swim Day. What I want to know is, did one rush down to the beach for a cheeky Skinny Dip??

Buttered Buns called in **Bulldust** for being overly competitive having raced past her. He got his with a DD to “What a wank”

Tropo also called in **Bulldust**, but for an accolade because he competed in The City to Surf fun run whilst wearing his **FH3 Dummy Shorts**, for which he was serenaded with the “Bullshit Song”

The **RA** also called in **Bulldust** over his calling the run a Spot of Cum....

General Business

A reminder about the **increase in Drinks Prices**. We all know that old habits die hard, but we’d rather that you all remember that they’ve gone up....

The **GM** told us that **Slugger & Hogshit’s** little doggie, Zippy got mauled by a larger dog resulting in a trip to the vets and stitches etc. We hope Zippy is back with us soon.

The **GM** announced that the **Close To Your Heart Run** now has enough donations, so unless you have gold bullion, we have plenty, thank you. And whilst on this topic, would everyone from the **FH3** please note that you are requested to **only wear FH3 Hash clothing** to the run itself on the 18th September. On the night we will need **volunteers** to help out with various aspects of the event, so please step forward and offer your support, thank you. Those intending to be there on the night, can you please **register** and pay your run fees **ASAP** so that we can work out the numbers for drinks and catering.

A request from **Hash Splash** about putting **glass bottles** into the recycle bag as last week there was a broken bottle in the bag, so please be considerate about how you place any bottles into the recycle bag, thank you.

The Friday Hash Weekend Away on the weekend of 31st October now has 16 members going. Speak with **Horny Flasher** if you would like to join in.

Dummy Shorts

Bulldust didn't have any nominations for handing over the Dummy Shorts to and neither did the circle. So it was an easy **Carry Over** to which the DD song was "He's got a little dick"

Jokers

Jokers for the week were **Cookie** – Free sex, pick a number, for three weeks the men got it wrong, but the wife got it right twice...

The **GM** told us about some nuns in a car with the Mother Superior and one of the nuns had to yell out that she was angry

Troppo told us about his wife at home, but it was a secret (I think it was more like a confession...)

Gadget told us about the angel of death and a man with his mobile phone
They each shared the usual Hash Down Down Joke Song.

The **Friday Hash Hymn** was led by **Hard Case**.

Thought for the day: Some people are like old TV's. They need to be slapped a few times to get the fu*king picture...
