Hare: Di Lava Rants

The Run Area: Rivervale.

The Circle:

26 FH3 Harriers and visitors from other Hash Clubs attending this week enjoyed a walk and run in Rivervale – with a nice drink stop with Lolly Snakes and watermelon.

Nice !

Runners Report:

Bull Dust: he said “it was a meandering, misquote infested Run – but with lovely River Views to enjoy as you slapped your way along the trail.

he rated it a **9.5 out of 10.**

Walkers Report:

Mental Disorder: Said – nice walk with lots of interesting distractions : like Sybils extra long searches for trail; Knee Hi's call of is that an aboriginal statue shouted at an local aboriginal – including shouting in his face “are you real”; and Bell boy who raced so hard – day 1 of having cast of his foot – he was bound to have it put back on the next day ? He also called out Gadget and Mel Adjusted for not helping the walkers by failing to call a single On On , still – nice drink stop

he rated it a **9 out of 10**.

down-down The reporters drank to the tune of: “Hairs on their dickie di do”.

Visitors

There was 2 surprise ... just walking by very excited visitors this week – “Little Fish” and “Yellow Butter” who had arrived this week from China. Biro and Phantom did their best to recruit them (During the Circle – LOUDLY)

LTNS

Hi Beam, Mega Watt, Sybil and Mental Dis-order were welcomed back to the Pack this week.

down-down to “Here’s to the LTNS ... they are arseholes so they say – should be publicly pissed on”.

Birthdays

None this week ! No cake was supplied ! BOO HOO !!!

Special Runs

0 Hero's

Phantom 1560 Light My Fire 380.

Jokers

Gadget, Bull Dust and Troppo told jokes this week

down-down to "Here's to the jokers their true blue".

Ding's Jokes of the week:

Q: What goes CLOP, CLOP, CLOP, BANG, BANG, BANG, CLOP, CLOP, CLOP?

A: An Amish drive-by shooting.

Joe an old Yorkshire man was dying. On his deathbed, he looked up and said, "Is my wife here?" Anne replied, "Yes, Joe, I'm here, next to you." So Joe asks, "Are my children here?" "Yes, Daddy we're all here," says the children. "Are my other relatives also here?" and they say, "Yes we are all here," Joe replied, "Then why is the light still on in the kitchen?"

Say what you want about pedophiles but they do drive safely through school zones.

Dummy Shorts

The current holder: **Tampax** called out the following hashers in an attempt to pass on the shorts this week.

Radar and Mel Adjusted: Radar apparently stopped at the start of the Run to Adjust Mel Adjusted's attire (was he hanging a bit to the right ?).

Shadow and Mel Adjusted then called out **Knee Hi** : seen to shout at an local Aboriginal "are you real or a statue? "

Mel Adjusted then called out **Tampax**: too rich apparently – only brings \$50 notes to Hash.

The clear **winner** of the shorts **this week** was **Knee Hi**.

Down down to: "The're stupid – the're stupid".

Charges

RA.

First **Sheep Shunter (RA)** called out:

Phantom and Biro: Supposedly they were Yakkiti Yak Yak all through the instructions for the Run
Down down to: "BIMBO was their Name-o".

Next

Mega Watt was called out: he refused to Run through a tunnel on the Run?

Down down to: "he's a horses arse, should be publicly pissed on".

Next

Sybil was called out : Long time experienced hasher ... but Walking got lost venturing onto the Runners trail ?

Down down to "Sybil is a bad girl"

Lastly

Troppo was called out – seen leaning on a post during the circle

Limericks were read by the **RA, Gadget, Hoggy** and **Troppo**.

Hoggy told one about Di Liva Rants:

There once was a Di Liva Rants hash circle, She marked the trail, each bush and hurdle, She'd lead with a grin,
Through mud, beer and gin,
Then vanished – because She'd hidden the circle.

They had a DD to : "This is your down down song It wont take long).

The **RA** then told us all that **on this day** in **1970** The Movie "The Way we were was a Hit, starring Robert Redford and today was dictionary day.

Down down to: "Down down song ... won't take long".
