down-down to "Here's to the jokers their true blue".

On Secs's (Ding) Jokes of the week:

An admiral visited one of his ships and joined the crew for tea.

He noticed every biscuit was embossed with the ship's insignia and was impressed.

Curious, he summoned the cook and asked, "How do you manage to put the insignia on these biscuits?"

The cook grinned and said, "It's simple, sir. When I roll out the dough, I press each biscuit against my belt buckle before baking them."

The admiral frowned, "That's rather unhygienic, isn't it?"

"In that case, sir," the cook replied, "I'd suggest skipping the donuts."

Dummy Shorts

The current holder: **DIY** called out the following hashers in an attempt to pass on the shorts this week.

Gadget who apparently asked her why she was dressed as a carrot.

Shifty: heard to ask were do Avocado's come from ? (though she swore she has her own tree)

The clear **winner** of the shorts **this week** was **Gadget**.

Down down to: "The're stupid – the're stupid".

Di Liva Rants: self incrimination – heard to say "**Knee Hi's** torch makes me look like a Barn door"

Down down to: "She's a bad girl".

Next

Clock Work Orange: admitted she had blown the arse out of her tights during the run ? beans for tea again ?

Down down to: "BIMBO was her name-o".

Limericks were read by the **RA, Hoggy** and **Tight Arse**.

Hoggy told one about **Slugger**:

There once was a hasher called Slugger.

Who stomped through the bush with a swagger, She chased every trail, stepped on a snail, then slipped in a puddle !

What a bugger.

Tight Arse told one about **Shifty**:

We have a Hasher called Shifty, who thought she could be quite thrifty, but when she was Hash Cash, this Yorkshire lass, is nifty not thrifty, shes twisty and crispy and risky getting misty, drinking whisky with Agatha Cristy – That's Shifty

Tight Arse told one about **Replicar**:

There is a Hasher called Replicar.

Who tried to drive across the Nullabor. He didn't get far, not in that replica car. Which wouldn't have a bar of the Nullabor.

They had a DD to : "They're true blue Arse holes so they say).

The **RA** then told us all that **on this day** in:

2012 Skyfall (James Bond) was released. – **Radar** knew.

1966 Sir Jack Bratham won the F1 drivers trophy – **Animule** guessed it

Down down's to: "Down down song ... won't take long".
