Charges

RA. (This week we had a stand in RA: Tight Arse)

First **the stand in (RA)** called out: **Buttered Buns** – who was asked “ why was the Apple cross ? because it was really Innaloo!
DD: “She’s alright”
The **RA** then told us:
Friday the 13th: began its reputation as being a day of bad events because:

- It was the day Christ was crucified
- He added that Judas was the !3th disciple at the last super
- Friday the 13th can actually occur 3 times a year.

The **RA** then told us **on this day:**
2002: M&M was on top of the Charts: with 8 mile
Gadget added
Kylie received an award for LOCOMOTION going 5 x Platinum.
So Gadget had a down down for adding further info without being asked!
DD “I like the Vino”
2020: The Yorkshire ripper died in jail.
1960: 3 scientists predicted the World would end : A new date has now been set **2080** : expected to be from over population.

Limerick was read by the **RA**.
Tight Arse said:
We all know a hasher called **Ding.**
Who likes to play with his thing. He pulls it, he squeezes it, and would you believe it ?
It shoots out like a fresh water spring !

(But was Biro heard to say: “The spring could be a little worn out these days ?“).

Mountain Hawke also added a funny antidote this week.
